RESPONSE

Dear Sir:

This is in response to the Election / Restriction Official Action mailed January 29, 2002.

In the claims:

Please amend claims 1, 9, 10, 11 and 14, cancel claim 4, and add new claim 45 as follows:

1. (amended) A method of treating a living body having a primary tumor and a metastatic tumor, said method comprising:
identifying a primary tumor tissue site of the living body;
combining an administration of an immunologic adjuvant at a predetermined concentration to said body, said predetermined concentration being approximately a standard concentration for immunization procedures of said body, said administered immunologic adjuvant resulting in a systemic condition of heightened nonspecific enhanced immune system of the body, including an increased level of nonspecific immune-related molecular and cellular factors and cells, with a previous administration of a photodynamic light therapy proximate said primary tumor tissue site, said photodynamic light therapy having a light wavelength and a sufficient light dosage to eradicate tumor cells within the primary tumor tissue site, said
